Hong Kong Education City Online Question Bank and Diagnostic Feedback System
(LTP 24 / 042)

Dear Parents/Guardians,

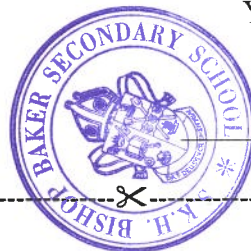

In order to promote "assessment for learning," the use of assessment resources and data analysis are equally important. The "Online Question Bank" (OQB) has collaborated with the Hong Kong Examinations and Assessment Authority (HKEAA) to convert past public examination questions into electronic format for electronic assessment purposes. Through this platform, teachers and students can access immediate learning data to adjust teaching and learning strategies accordingly, thereby enhancing the effectiveness of education.

Diagnostic Feedback System (DFS) is a system powered by the HKEAA and built on top of the OQB platform to provide useful feedback to students and teachers. It can enhance "Assessment for Learning" and provide separate feedback reports for students to show overall performance (in grades A to D), strengths and weaknesses, key knowledge/hint for wrong answers and model answers.

For this academic year, the fee for each student is HK\$40. The payment will be collected through the eClass electronic payment system.

Should you have any questions, please feel free to contact Mr. Lam Wai-man (林偉文老師) at 24754778 during office hours.

Yours sincerely,

Principal Lik-hak WONG
